GLADNESS BIBLE INSTITUTE LLC

EQUIPPING MINISTRY LEADERS

Gladness Bible Institute is a not-for-profit private institution offering higher education in Atlanta, Georgia. The institution was established in 2015 and is accredited for Biblical Higher Education and International Association of Christian Colleges and Schools.

Officially, the Institution is affiliated with the Christian-Interdenominational religion. Gladness Bible Institute is approved by the State of Georgia, Education commission for granting of Association of Arts. In addition, in recognition (GBI) is approved for teaching the Certificate Biblical Courses, approved through Evangelical Training Association (ETA) since 1930. We equip Ministry Leaders, using Biblical Doctrine, and the Holy Scripture inspired by God as a curriculum, offering universal material by all Dominations.

Founded in 2015, Gladness Bible Institute has become known as one of the nation's start-ups programs and fastest growing Bible Institutions. Located in the beautiful city of Atlanta, Georgia, Gladness Bible Institute aims to offer higher education founded in the Christian tradition.

Gladness Bible Institute is proud to be acknowledged for its academic pursuits and its dedication to the Christian mission. Gladness Bible Institute is proud of its heritage as a training institution for students interested in learning ethical leadership for the ministry and the marketplace.

Gladness Bible Institute offers students a curriculum that is centered in its core values of Biblical inerrancy Integrity, Global Missions, Dedicated Servanthood, and Diversity suitable for Christian leadership in a host of arenas.

Though found in the historical metropolitan Atlanta, Gladness Bible Institute extends its reach to the four corners of the earth. Hopefully by 2024, Gladness Bible Institute will nurture students' leadership skills by offering programs and classes overseas.

Gladness Bible Institute has structured its leadership curriculum to offer training across the globe, thus making a difference internationally in churches, school, government entities, and businesses. In addition, the curriculum is adapted to expose students to humanities, sciences, effective communication skills, and other professional studies.

Our main contribution is to educate and equip through ministry. "Poverty" is one of the greatest enemies against humanity.
